

COLLAB PARENTING tips

5 parenting tips that will substantially improve the development of your Collab Kid.

1

Read books

Reading to your child is a wonderful way to bond and promote early literacy.

2

Play with kids

Invite THEM to play with YOU first.

3

Let them get messy

Remember that children are washable and SHOULD get messy.

4

Teach life skills

Teach them life skills and give them chores from the beginning.

5

Make eye contact

Don't expect them to hear you unless you're making eye contact.
